Return for Year 12 students

Wednesday September 8th, 2021

Hi Everyone,

You may have heard the announcement today from the Premier, Daniel Andrews, regarding Regional Victoria easing restrictions from 11.59pm, Thursday September 9th, which includes the return of our Year 12 students to on-site learning as of Friday this week.

The main points to understand with this easing of restrictions include:

- All Year 12 students will resume on-site classes from this Friday 10th September.
- Any Year 11 students that are currently completing a Unit 3/4 subject will resume their on-site classes for this subject.
- Year 7 to 11 students will continue with Remote and Flexible Learning until schools are advised otherwise.

For the students returning to on-site learning on Friday, masks will remain an important part of keeping everyone safe and will be required indoors and outdoors when social distancing is not possible. Masks are required for all students when travelling to and from school on a bus.

Once again, thank you for your support and for doing the best you can in challenging circumstances.

Please continue to check Compass or our School Website (beaufortsc.vic.edu.au) for updates on information.

Stay safe and stay well.

Karl Schier

Principal
