Advance Camp

Students undertaking the Advance course in Years 9 & 10, attended a camp at Halls Gap for three days last week.
The camp is part of the accreditation necessary for the students to graduate at the Police Academy at the end of year 10.
The students have put a lot of time into planning the camp and organising the activities.
Thank you to Mr. Collins for organising this camp and to Miss. Gregor for attending.

Last Day - Term 2

Friday, 1st July, is the final day for Term 2 and school will finish at 2.30pm. Parents will need to make the appropriate arrangements.

Have a happy & safe holiday
School will resume on Monday, 18th July.

Parent Teacher Interviews

Parent Teacher Interviews will be held this Thursday between 3.30pm and 6.30pm.
Parents will be allocated times with teachers as requested. These appointment times will be sent home with students.
If you have any concerns, please contact Mrs. Higgins at the school.
**From the Principal’s Desk**

Next term, Mr. Adrian Page, who has worked here part-time for a number of years in the area of ICT support, will commence as full time “ICT Manager”. His role will include the following:

1. To manage the development and operation of the college’s computer networks,
2. To provide expertise and leadership in the ICT area that guides the work of teachers and other education support staff,
3. To formulate and deliver professional development programs in the ICT area for teachers and support staff, and
4. To assist staff to implement ICT initiatives, including the Ultranet, the Commonwealth Government’s laptop program, video conferencing and computerised reporting systems.

I am extremely pleased to be able to create this new position, made possible by the increase in our student enrolment this year. I believe it is necessary to have a person in this role if we are to fully utilise our ICT resources. Adrian brings outstanding personal and communication skills as well as high level ICT skills, and will be an asset to the school as we move forward.

I have been extremely disappointed with the negative campaign being run by the “Age” newspaper and some other media outlets about School Chaplaincy. Our Chaplain Phil Kynoch is a vital member of our student welfare team, providing students and families with support on a daily basis. The good news is that the Commonwealth Government has, on this occasion at least, displayed some commonsense and extended the program until 2014. My request is for all members of the school community to talk up the role of chaplains at every opportunity.

As we approach the end of term, I would like to wish all students and their families a happy and restful end-of-term break. We look forward to seeing you again in Term 3. To our Year 12 VCE students, it is important that you work hard and use the break from classes to revise. There is effectively only one term of classes remaining in your school careers and it is important that you use every minute of that time effectively.

Steve Macaulay  
(Principal)

---

**Presentation Ball**

The Presentation Ball will be held on Friday in the Shire Hall at Beaufort. Fifteen debutants and their partners will be presented to the Mayor of the Pyrenees Shire, Cr. Michael O’Connor and his wife, Judy, school Council President, Mrs. Leesa O’Brien and her husband Ross and the Principal, Mr. Macaulay and his wife, Kay.

From all reports, the dancing ability of all couples have improved markedly and those of us who are going will be treated to a wonderful display of faultless footwork.

Doors will open at 7.00pm and the evening will conclude at 11.00pm. There are no pass outs. The Police have been invited and will be in attendance.

A delicious supper will be provided by the PFA and a number of students will be helping out on the night as waitresses and ushers.

Thank you to everyone involved in making this a special event for our students.

---

**Farewell Miss. Holt**

At the end of this term, Beaufort Primary School will say farewell to Miss. Holt. Miss. Holt has taught Grade 6 students at Beaufort for many years and has prepared students well for their secondary education.

She has also been heavily involved in the transition program from primary school to secondary school.

We are sorry that Miss Holt is leaving, but we wish her well in her retirement.

---

**Specialist Maths - Holiday Revision**

Students studying Specialist Mathematics in Year 12 will be coming to school to continue with their learning on Monday, 4th July between 9am and 1pm. Any concerns, please contact Mr. Walton or Mrs. Higgins.

---

**Term 3 - Technology Food**

$10.00 for students.
Family tickets are $40.00
(which includes 2 adults and 2 children)

It's hard to learn anything if you are absent from school - It's not OK to be Away.
Congratulations Tegan

Year 7 student, Tegan Avery, has recently achieved success in the Ballarat Basketball Association’s Under 14 Competition. Tegan was a member of the team that took out top spot in the competition and was also voted the Most Valuable Player in the competition. Well done, Tegan and continued success in the future.

Andrew heads to Tamworth

Year 10 student, Andrew Mahony, is off to Tamworth this week to take part in the Australia Music Academy’s week long workshop for budding country music singers and songwriters. Andrew applied for a position at the Academy last year and as part of his application he had to supply 3 songs along with a resume of his musical experience. Among the songs he submitted were ones he had written himself.

In mid March, Andrew was notified that his application had been successful and now he is packing his bags to join 19 other young musicians from Queensland, New South Wales, South Australia and Victoria to learn skills specific to the country music genre in Australia and to stimulate their artistic and creative development.

We wish Andrew well and look forward to hearing about his trip next term.

Career News

✓ AVIATION DISCOVERY DAY – Find out in just one hour what it takes to learn to fly, and what career possibilities exist in aviation. You’ll also be taken on a short flight around Melbourne, no charge, no obligation. Young Eagles Victoria Discovery Days are for 12-17 year olds and are held every 4 – 6 weeks. See for details: www.rvac.com.au/young-eagles.

✓ PARENT NIGHT AT DEAKIN – Applying for university is an exciting, but often confusing time for students/parents. Deakin’s Parents’ Information Evening gives a chance for parents to have their questions answered. Learn about VTAC applications, the cost of university and changes to Youth Allowance, speak with staff and students about courses, graduate outcomes, scholarships, pathways and support services. When/Where: 7-8.30pm, Tues 26 July at Burwood OR 7-8.30pm, Mon 25 July at Geelong Waterfront campus; Register: www.deakin.edu.au/parents.

✓ CAREERS EXPO COMING UP – Whether it’s a career as a chef, a fashion designer or a marine biologist, this year’s Herald Sun Melbourne Career Expo will show you the next step in finding a career…over 150 exhibitors will be there. Seminars on ‘VCE examination strategies that really work’ etc. will run. When: 10am-3pm, Fri 29 July; Sat 30 & Sun 31 July; Where: Melbourne Exhibition Centre; Info: www.careerexpo.com.au.

✓ WHAT IS NANOTECHNOLOGY? It is an emerging field, aiming to understand and exploit the science of the very small. It is cross-disciplinary, involving chemistry, physics and biology, with sweeping implications for new technologies. The discipline has a broad scope, such as designing the next generation of computing devices, creating innovative materials and the development of nanosensors with extremely powerful detection capabilities. Nanotechnology is offered at La Trobe and RMIT uni’s.

✓ ZOO KEEPER FOR A DAY – If you are interested in a career working with animals and want to find out about what it is like to be a zookeeper, then check out: http://www.zoo.org.au/learning/holiday/HS-Zoo-Keeper.
Career News  Cont’d from Page 5.

1. MEET MELBOURNE UNIVERSITY 2011 AT DONCASTER – Each year the University of Melbourne visits centres around Melbourne and regional Victoria as part of ‘Meet Melbourne’.
