From the Principal’s Desk

Our Year 12 students had their final day on Friday. We had breakfast in the student centre to start the day. The students then put on a very entertaining assembly, which involved the students dressing up in a costume of their choice and being presented on stage. There were certainly a lot of laughs throughout the assembly. We then had a morning tea in the staffroom with the Year 12 students, parents and staff. It was terrific to see so many parents there for the morning’s events. The Year 12 students are to be congratulated for the way in which they conducted themselves. We wish them all the very best for their exams!

Our Year 10 students had their camp in Melbourne last week. The camp gives them an opportunity to experience Melbourne in a safe and supported manner with lots of activities and cultural experiences throughout the week. The feedback on our students was very positive, as they clearly represented our school in a manner consistent with our values and core focus areas of: Respectful Relationships, High Expectations and Excellence. Well done to the students and a huge thank-you to Mr. De Zoete for organising and attending the camp and to Mrs Maxted who spent the week in Melbourne supporting our students.

Bendigo Bank AGM

The Beaufort Secondary School Choir performed at the Bendigo Bank AGM on Wednesday night. The Choir sang four songs and entertained the large crowd before the meeting. The Choir was then presented with a framed certificate and a generous donation in appreciation. The money will be used to buy music and new songs for the Choir to learn.

Emily Crowley, who is in ‘The Young Ambassador Program’ addressed the meeting outlining the defensive driving course which is sponsored by the Bendigo Bank and is available to students at the school at a reduced cost.

Nine students took advantage of this opportunity last year. Any students interested in taking part in the program this year need to contact Mrs Higgins. The other two ambassadors, Rachel Kendall and Cameron Gadsby were in Melbourne on the Year 10 Camp and were unable to attend the meeting.

The Year 11 Food Technology students catered for 70 pre-schoolers to celebrate ‘Children’s Week,’ last week.
A concert was held in the Beaufort Community Bank Complex and was sponsored by the Victorian Government and the Pyrenees Shire.
Morning tea included a savoury pizza on a sweet potato base, a blueberry muffin and a fruit stick, all prepared by the Year 11 Food Technology class.
Jaymee Crack and Maycee Eastick served children on their arrival and welcomed visitors. Two Year 8 students, Linley Eastick and Donna Bruty opened the concert and introduced the performers ‘Hey Dee Ho.’
The Beaufort Secondary College students were great contributors to the success of the morning.

On Monday the 20th of October Tom Dawson, Jacob Darvell, Ben Broadbent, Fraser Morcombe, Jake Crack and I meet Mr. Bolson in the car park at 8am and waited for the Ballarat Grammar bus to arrive and take us up to Minyip Field and Game Shooting Competition.
When we arrived we took the guns to the armoury to be checked in and have them stored in the gun clubs facilities, which held 354 shotguns. It was a good day for a shooting competition with a little bit of wind to keep the flies away.
Everyone got above 2 targets, I came third in the ‘Senior Boys – Non-members.’
It’s a very challenging course with clay pigeons launched from a variety of different angles at varying speeds. There was also plenty of strong competition with 421 shooters in total.
A very big thanks to Mr. Bolson who came back to take us to the shoot, to Ballarat Grammar for taking us and the Minyip Field and Game Club for hosting a great event.

Year 10 Urban Camp

Students in Year 10 travelled to Melbourne last week for the annual Year 10 Urban Camp. The students became very familiar with the Melbourne CBD during the week and they were able to successfully navigate their way around the city to get to specified meeting places when required.

All students made excellent progress towards completing their action research projects throughout the week by conducting an interview with a professional organisation, related to their selected topic. They also completed numerous surveys.

Highlights for the week included a visit to Bounce, ice skating, Melbourne Zoo and Aquarium. Students also enjoyed a night at the theatre to see Les Miserables.

All were given the opportunity to eat meals from a range of cultures with the meal at the ‘Kitchen Workshop’ being the highlight.

It was a pleasure to be away with such a great group of students for the week, the number of compliments received about the group and individual students was just fantastic, Mr de Zoete and Mrs Maxted would like to thank all students for the week.
