It's hard to learn anything if you are absent from school - It's not OK to be Away.

Representatives of Years 7 and 8 on the SRC last Friday held a fundraiser for the charity ‘65 Roses.’ A total of $236.10 was raised for the Cystic Fibrosis charity. On the day nearly the whole school wore casual clothes for a gold coin donation. There was also a challenge to fill an artwork of a rose with coins. The rose was in the library due to wet weather and the coins were placed on the artwork during Form Assembly. Thanks to Mia Evans and Kyle Keenan for doing the artwork and for all who took part.

Report Writing Day
This Friday, 5th June

There will be no school this Friday, 5th June
Please make appropriate arrangements
**Semester One Reports**

Semester One reports will be posted home to each family on the last day of school, Friday 26th June. Parent Teacher Night Interviews will be held on Thursday 16th July from 3.30 - 6.30pm. (Week One, Term 3)

Please return interview request forms on Monday 13th July to the General office.

---

**Year 11 & 12 Exams**

Year 11 & 12 exams will be held next week. The GAT will be held at the Beaufort Community Church, Park Road, Beaufort from 10am until 1.15pm. All students studying a 3/4 unit or a scored VET, must sit the GAT.

Students can wear suitable casual clothes on that day and can meet and leave from the venue.

When sitting the other exams, students are to wear full school uniform and work at school for the whole day.

Any concerns contact Mrs Higgins or Mr De Zoete-Spiero.

---

**DO YOU HAVE A PENSION CARD OR HEALTHCARE CARD?**

Card holders can claim the new Camps, Sport and Excursions Fund Allowance made available by the State Government

By completing a form and presenting the card to the school office before the 25th June, 2015. The fund of $225 per student is available for students aged between 5 and 18 years.

This fund is paid to the school and allocated to eligible students to be used for sport trips, camps and excursion.

Please get your application in to the school today!

Further information is available on the website www.education.vic.gov.au/cesf

~ Dress Description ~
~ Interests Form ~

~ Please note due to lack of orders there will be no DVD of this year’s ball ~

~ Training as normal Monday 8th June ~
Eureka Cross Country Results
Well done to the following students who represented the school in an excellent manner last Wednesday at the Eureka Cross Country, held at Victoria Park in Ballarat.
Ashleigh Crowley: 11th - Time of 14:19
Jude Poyser: 17th - Time of 12:38
Jessica Dridan: 5th - Time of 13:31
Lanah Tiley: 12th - Time of 15:10
Bailey Thompson: 3rd - Time of 11:10
These students will continue on into the next level, Greater Western Region competition of Cross Country on 12th June.

Psychology Experiments
Year 11 Psychology students have been studying Lifespan development as part of the Unit 1 studies including cognitive development across the lifespan. The purpose of conducting this study is to test Jean Piaget’s previous research findings comparing cognitive abilities in different stages of cognitive development.
The students conducted experiments at Beaufort Primary School last week with Grade 1-4 students to test the theory.

Holiday Driver Training
The Driver Training Academy (DTA) will be holding driver programs, for learner permit holders, in Beaufort over the school holidays. This is an excellent program that will run from 8.00am - 4.00pm, Monday - Friday. With generous sponsorship from the Bendigo Bank the course will only cost $200.00. The full week training is comparable to 3 hours of lessons.

For more information contact
Carol Grinstead on 1300 130 245

All Proceeds to the Beaufort Secondary College

Australian Mathematics Competition
- Last chance to enter -

The Australian Mathematics Competition will be offered at Beaufort Secondary College on 30 July. Any students who have not yet said they will be entering, please see Mrs Ham.

Clay Target Shooting Marion College
- Down the line clay target competition -

Beaufort Secondary College fielded a squad of 8 shooters to compete in the 2015 Marion College Invitational Shoot held in Ararat last week, in perfect conditions. The boys all shot well, with Ned Watkins and Lachlan Crick both finishing equal 4th, only 3 targets off the winner.

For those students who are interested in representing the school at the next shoot, to be held in Noorat in August require either a Junior or a Full Firearms Licence. For more information please contact Mr de Zoete.

Baby Photo Guess!

Guess which baby photo belongs to which staff members!

$1.00 to guess
Most correct photos win
- Chocolates and lolly prizes -

Baby photos will be at the office during Recess and Lunch

PDU class - Brittany, Jemmelle, Lakota and Mikayla
Breakfast Program

The Breakfast Program has been a great success so far this term. There has been on average 63 students enjoying this breakfast each Tuesday morning. Students have been enjoying a variety of food and are always keen to have a hot milo in the cooler mornings. The Year 7 students have been a terrific assistance, making sure all students are welcomed and enjoy some for they like.

Well done to all involved so far and remember the breakfast is FREE, its also a great way to catch up with staff members and other peers before the start of school.

*Miss Fuller*

---

Victor Abdilla Memorial Presentation

The Beaufort Community Bank makes available to the Junior Observer on the board a sum of money for them to put towards a project at the school. The 2014 Junior Observer, Emily Crowley chose to use the money to purchase a class set of calculators for the junior students to use in class and two scientific calculators for senior students to use in class. The Maths Faculty appreciate the addition to their resources.

---

Arts / Technology Excursion

On Thursday, 28th May, fifteen Year 11 and 12 students travelled to Melbourne to experience a range of exhibitions to benefit them in their various Arts/Technology studies.

Exhibitions viewed at the Ian Potter Centre: National Gallery of Victoria at Federation Square, included ‘Shifting Gear’, featuring design and innovation in the Australian car through its history, and ‘StArt Up’, featuring the work of the 2014 highest achieving Arts students in the state.

Food Technology students gained knowledge through their experience of the David Jones Food Hall on the way to the Melbourne Museum where the ‘Top Designs’ exhibition allowed students to observe, not only the quality of finished production pieces, but also the accompanying folios, work briefs, production plans, design plans and evaluations of last year’s A+ students.

Students gained much from the exhibitions, bringing back ideas for their own folios and ways of presentation. An immense thanks is extended to Mrs Liston for her organisation in this learning experience.
